Applicant's amendment filed on 2/04/06 has been entered. Accordingly, claims 1, 5 and 9 have been amended. Claim 4 has been canceled, and claims 11-14 have been added. Application is now in condition for allowance.

Reasons for allowance

Claims 1-3, and 5-14 are allowed.

The following is an examiner's statement of reasons for allowance:
applicant's amendment in which incorporated the limitation of indicated allowable subject matter in independent claim 1 and thus has placed this application in condition for allowance.

Claims 2-3 and 5-7 are allowed because being depended on base claim 1.

Claims 8-10 are allowed because the prior art of record fails to teach or suggest a vehicle lamp having at least a light blocking member, formed from material transmitting no light generated by the light source integrally with the light transmitting member, operable to block a part of the light transmitted ahead by the light transmitting member at an edge.

Claim 11 is allowed because a light source operable to generate light, a light transmitting member formed from material transmitting said light, a reflector, formed on at least a part of a surface of said light transmitting member, operable to reflect said light incident via said light transmitting member from said light source, said reflector having an optical center near said light source, and a lens formed internally with said light transmitting member, operable to deflect said light reflected by said reflector to direct said light to an outside of said vehicular headlamp, wherein said light source includes a semiconductor light emitting

device and said light transmitting member seals said semiconductor light emitting device.

Claims 12-14 are allowed because being depended on base claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
